In his book *Anything Goes*, Dalrymple argues that we have lost our sense of morality and are now living in a world where anything goes. He points to the increasing rates of crime, violence, and sexual promiscuity as evidence of this decline.

Dalrymple also argues that we have lost our sense of shame. He says that people are no longer ashamed of their bad behavior, and that this is leading to a further breakdown in social norms.

Dalrymple's book is a devastating critique of modern society. It is a must-read for anyone who is concerned about the direction in which we are

heading.

Here are some of the key points that Dalrymple makes in *Anything Goes*:

- We have lost our sense of morality.
- We are now living in a world where anything goes.
- The increasing rates of crime, violence, and sexual promiscuity are evidence of this decline.
- We have lost our sense of shame.
- People are no longer ashamed of their bad behavior.
- This is leading to a further breakdown in social Free Download.

Dalrymple's book is a wake-up call. It is a reminder that we cannot continue to live in a world where anything goes. We need to rediscover our sense of morality and shame. We need to start holding ourselves and each other accountable for our actions.

If we do not, then we will continue to slide down the path of decline. Our society will become more and more dangerous and chaotic. And our children will grow up in a world that is even worse than the one we live in today.

About the Author

Theodore Dalrymple is a British writer and psychiatrist. He was born in London in 1949. He studied medicine at Cambridge University and then worked as a psychiatrist in inner-city London for many years.

Dalrymple is a prolific writer. He has written over 30 books on a wide range of topics, including psychiatry, culture, and politics. He is also a regular contributor to The Spectator, The Guardian, and other publications.

Dalrymple is a controversial figure. His views on modern society are often seen as pessimistic and reactionary. However, he is also a brilliant writer and a keen observer of the human condition.

Anything Goes is one of Dalrymple's most important books. It is a devastating critique of modern society that is both timely and timeless.

Anything Goes is a must-read for anyone who is concerned about the direction in which our society is heading. It is a book that will challenge your assumptions and make you think about the world in a new way.

Whether you agree with Dalrymple's s or not, you will find his book to be a thought-provoking and stimulating read.
