In this book, renowned historian John Keay tells the story of the relationship between India and China from ancient times to the present. He explores the cultural, economic, and political exchanges between the two countries, as well as the wars and conflicts that have shaped their relationship.

Drawing on a wide range of sources, Keay provides a rich and nuanced account of the interconnected histories of India and China. He shows how the two countries have influenced each other's development and how they have played a major role in shaping the history of Asia and the world.

This book is essential reading for anyone interested in the history of India, China, or Asia. It is also a valuable resource for students of world history, international relations, and cultural studies.

Reviews

"A magisterial work of scholarship. Keay has written the definitive history of the relationship between India and China." — ***The New York Times***

"A sweeping and erudite account of the interconnected histories of two of the world's oldest and most populous civilisations." — ***The Guardian***

"A must-read for anyone interested in the history of Asia or the world." — ***Foreign Affairs***
