- [Review Author's Name], Oprah Winfrey's Book Club

"Really Meant To Tell You is a beautifully written and emotionally charged journey of self-discovery and healing. It will stay with me for a long time."

- [Review Author's Name], The Washington Post

## **Synopsis**

Really Meant To Tell You is a memoir that delves into the complexities of family, love, loss, and self-discovery. The author embarks on a journey to reconnect with their roots, exploring the impact of childhood experiences, family secrets, and the search for belonging.

Through a series of poignant and evocative stories, the author paints a vivid portrait of their family dynamics, their relationships with siblings and parents, and the complexities of human nature. They confront their own struggles with identity, addiction, and the search for love and acceptance.

As the author navigates the ups and downs of life, they discover the resilience of the human spirit and the transformative power of forgiveness. They learn to embrace their own flaws and find healing in the depths of their own heart.

## **Why You Should Read This Book**

Really Meant To Tell You is a must-read for anyone who has ever struggled with family relationships, loss, or the search for self-discovery. It is a book

that will resonate with readers on a deeply emotional level and leave a lasting impact.

Here are just a few reasons why you should read Really Meant To Tell You:

- It is beautifully written and emotionally resonant.
- It offers a unique and insightful perspective on family dynamics.
- It explores the complexities of human nature and the search for self-discovery.
- It is a story of hope, healing, and the resilience of the human spirit.

If you are looking for a book that will stay with you long after you finish it, then Really Meant To Tell You is the book for you.
