

Redefining Adaptation Studies: Exploring New Horizons in Literary and Cultural Criticism

About the Book

In "Redefining Adaptation Studies," renowned scholar Marsha Mccreadie embarks on a transformative journey into the rapidly evolving field of

adaptation studies. This groundbreaking work challenges conventional understandings, pushing the boundaries of adaptation theory to encompass a diverse array of literary, cultural, and artistic practices.

Through rigorous analysis and insightful case studies, McCreddie illuminates the intricate intertextual relationships that shape adaptations. She examines transmedia storytelling, multimodal adaptations, and the emerging field of adaptation ethics, offering fresh perspectives on the complex processes involved in adapting texts across different media.
