Tune In is the first biography of the Beatles to tell the complete story of their lives and music, from their early days in Liverpool to their final years as one of the most iconic bands in history. Written by acclaimed music journalist Mark Lewisohn, Tune In is based on over a decade of research and interviews, and it offers a fresh and revelatory look at the Beatles' journey.

Tune In is not just a biography of the Beatles; it is also a social and cultural history of the 1960s. Lewisohn paints a vivid picture of the time and place

in which the Beatles emerged, and he shows how their music reflected the changing values and attitudes of the era.

Tune In is a must-read for any fan of the Beatles. It is a definitive biography that will change the way you think about the band and their music.

Praise for Tune In

"The definitive biography of the Beatles. A masterpiece of research and storytelling." - The New York Times

"A triumph of scholarship and a joy to read." - The Guardian

"The best book ever written about the Beatles." - Mojo
